Attention: Mr. Peter Murphy

Project: Projects in Egypt, Saudi Arabia and Algeria
Subject: Letter of Recommendation

Dear Sir,

Hassan Allam Construction (HAC) would like to confirm that Quantum Global Solutions (QGS) was engaged as consultant in different capacities covering varied scope for the following projects:

Gabal Al-Asfar Waste Water Treatment Plant Project – Cairo, Egypt
Algiers Refinery Rehabilitation & Adaptation Project – Algiers - Algeria
Saudi Elastomer Project - Jubail, Kingdom of Saudi Arabia
GT 129MW Power Plant Project -Boufarik, Algeria

HAC found QGS to be an excellent company to work with, their staff are highly professional, objective and industrious and the overall level of professional competency is unmatched by any Consultant we have used to date. Both parties worked successfully within a collaborative environment and the staff and their senior management always providing a positive, open and honest account on all issues, which has assisted in the relationship and the smooth completion of the assigned tasks.

I would have absolutely no hesitation in recommending QGS to any Client in need of expertise in contract and claims management.

Yours Faithfully,

Amr A. Elsamahi
HAC Contracts Director
