Summary

Regional Director, Colin Russell manages our Turkey office providing contractual, commercial and planning support with particular expertise in forensic delay and quantum analysis services to Quantum clients. He has particular expertise in quantum and delay analysis services and has a proven track record in efficiently delivering Expert Reports whilst working in conjunction with internationally respected legal teams. He has demonstrable leadership skills in managing and successfully delivering complex, high quality and award-winning projects. He is a proactive and client-facing Chartered Quantity Surveyor with varied work experience and strong project, business and personnel management skills.

Colin's detailed construction knowledge and practical experience obtained through working at all management levels within construction companies means that he is able to quickly and proficiently analyse and understand the issues that lie at the heart of construction disputes. This skill allows him to advise our clients and their legal teams from a clear and precise practical perspective, so ensuring that the right strategies are followed in the resolution of disputes.

Whilst working for Quantum, Colin has been Lead Consultant on the preparation of Expert Reports as well as extension of time and damages claims relating to high profile landmark projects in Doha, Abu Dhabi, Bahrain, Slovenia and Hong Kong.

Some of Colin's landmark projects have included:

- Towers 3, 4 and 5 Viva Bahriya, The Pearl, Doha, Qatar.
- Marriott Hotel, Abu Dhabi, UAE.
- Doha Convention Centre, Doha, Qatar.
- Four Seasons Hotel, Bahrain.
- Waste Water Treatment Plant, Hong Kong.
- Waste Water Treatment Plant, Slovenia.
- New Doha International Airport.
- Power Plant, Iraq.

Geographic experience

- Middle East
- United Kingdom
- Europe
- Asia
- Africa
